1. ELTON SPEAKS, RICHARD UNDERCOVER, ONE WORD #1 FUN :36

Hi, I'm Shadoe Stevens. If you missed AT40 last week, here's what you missed. Elton John talking about the musical heroes who got him goin'. The Richard Marx-Elvis connection, how he checks in under the names of characters Elvis played in the movies. The hot new singer Rozalla, told us what it's like to tour with Michael Jackson. We talked about states in Top 40 song titles. Which state's had the most? California. And we had one-word fun at #1 and listened to the year with the most, 1986! All that plus Music News, a Long Distance Dedication, a Sneek Peek song, and the 40 biggest hits on the official Billboard chart to #1. We do it here and only here every week, on American Top 40! (LOCAL TAG)

2. DEBUTS DANCE UP THE CHART :43

Hey, Shadoe Stevens, AT40. Last week the countdown saw five all-new songs debut, including the latest from INXS, a former Sneek Peek, "Not Enough Time". Snap were back with "Rhythm Is A Dancer". Another beat blast came from English singer Cathy Dennis, and her song's also a former Sneek Peek, "You Lied To Me". And from the movie 'Boomerang' P.M. Dawn were rising on the chart with "I'd Die Without You". Who's set to debut this week? How about Celine Dion and her latest, "Nothing Broken But My Heart". Or maybe En Vogue and their Sneek Peek pick from last week called "Free Your Mind". Then comin' over from the country with a sleek pop sound, K.D. Lang and "Constant Craving". Who's got the hit-stuff for us? Ah, D'Shadoe knows, on American Top 40! (LOCAL TAG)

1. And this next singer had the opportunity of a lifetime this summer -- to tour with Michael Jackson. It seems Michael was looking for an up-and coming black, female singer to open shows on his European tour -- and he decided to give ROZALLA the chance. She told us what's it's been like -- starting from the very first show:

ROZALLA ACTUALITY: (:44) "It was in Munich, Germany and seventy two thousand screaming fans, and all I remember was just the disbelief of having to share the same stage as Michael Jackson! You know, because to me, he's just such a phenomenal act, you know, and I really admire him a great deal. I've only seen him close by, well, not too close, but enough to see him more than any other person would, about three times or so. But I haven't met him or been introduced to him as yet. A day or so before I was due to come to L.A., his personal photographer said to me, oh, tonight I'm gonna get you and Michael together, to get a photograph!"

2. And this woman has said that there's a big difference between singing and SANGING -- S-A-N-G-I-N-G. But if you're still a little unclear on that, CE CE PENISTON will explain EXACTLY what that means:

CE CE PENISTON ACTUALITY: (:20) "You know how you hear a song and it sounds really good, but it doesn't invoke any type of feeling in you, and you're not really moving, but then you hear someone else sing the song, and you're like, you know, I can really relate to that! Or you get those little goose pimples, you know those that chill up your spine? Wheew! It sounds good! That's what S-A-N-G-I-N-G is!"

3. ELTON JOHN is currently touring with Eric Clapton. Elton's been hitting the charts for more than twenty years, and it's no wonder he's influenced and inspired so many people -- he's influenced all kinds of stars too, from GEORGE MICHAEL to GUNS'N'ROSES. So we asked Elton who inspired him musically:

ELTON JOHN ACTUALITY: (:24) "Being a piano player, I think that Jerry Lee Lewis and Little Richard and Fats Domino were probably tied for first place. I play more like Little Richard, and Jerry Lee Lewis is an unbelievable piano player. Little Richard was the person I used to copy because I loved that thumping style of his. And Fats Domino, so there were three different sorts of piano players, but I loved them all, and as far as rock 'n roll goes, it was those three people."

4. "BABY-BABY-BABY" is the current hit by TLC. It's from their debut album, "Ooh, On the TLC Tip." That's sort of a slogan for 'em -- 'on the TLC tip.' We asked what's behind it?

TLC ACTUALITY: (:19) "TLC represents being yourself and being proud of what you are, so, if you can be yourself, and be proud of what and who you are, it's like being your tip. So, being on the TLC tip is just identifying with being what you are."
