1. **CHART HISTORY OF A DIFFERENT KIND** :32

Hi, I'm Shadoe Stevens. It was chart history of a different kind last week on AT40 with a first, no debut songs, not a one. But we had a lot of other goins-on. Talked to TV star Joey Lawrence, super hot songwriter Diane Warren and Dionne Warwick told us all about her cousin, Whitney Houston. Had a story about Bon Jovi helping two fans hear wedding bells, found out more about the new group Boy Krazy, looked at Prince's surprise visit to a Miami club, all as we counted down radio 's 40 top songs non-stop to #1. Join me when we do it again this week, right here on American Top 40! (LOCAL TAG)

2. **AMERICA'S MUSIC FOR THE WORLD** :28

Hi, I'm Shadoe Stevens. Every week on AT40, we cover the country, with the 40 top songs from the most respected music chart in the world, the Billboard chart. It's the music all of America is listening to on the radio and we count 'em down from 40 to #1, with stories from the stars, the latest in concert and Music News, Sneek Peek at hits that look on their way and AT40 Flashbacks to the top 5 hits of a year gone by. And of course Long Distance Dedications from listeners just like you. So join me won't ya? American Top 40 right here and only here on ... (LOCAL TAG)

3. **HEARD WORLD 'ROUND** :34

Hi, I'm Shadoe Stevens, tune in AT40 for the biggest, the hottest names in music today. Prince, back with The N.P.G. and a new one called "The Morning Papers", those fine funky divas En Vogue, with their latest, "Love Don't Love You". Jon Secada, he's just scored his third top ten in a row with "Angel". Duran Duran, we're waiting on the follow-up to their huge #1 comeback, "Ordinary World". And of course, the amazing Whitney Houston, with her third 'Bodyguard' top ten, "I Have Nothing". Hey, we've got it all, the stars, their songs, their stories and much more, right here, on the only official Billboard countdown, heard world 'round, American Top 40! (LOCAL TAG)

1. Next is the recent Top Tenner for Shanice, "SAVING FOREVER FOR YOU" from the 'Beverly Hills 90210' soundtrack... another big hit written by one of the hottest writers in the business, DIANE WARREN. We caught up with her the other day, in-between recording sessions.... and she told us the history behind this one. It all began with a call from the President of Giant Records:

DIANE WARREN ACTUALITY: (:37) "Irving Azoff called me, he was doing the '90210 Soundtrack' and told me he needed a duet and I said, I literally got out of the studio like that day with "SAVING FOREVER FOR YOU". He had the producer of the show in his office. I said, well listen on the phone, this is probably what you guys need and the both flipped out. I said well I'm sending it right over, you know, and first it was going to be a duet with Tevin Campbell and Shanice, and I guess Tevin had another commitment so it just became Shanice. David Foster produced it, he did a wonderful job and she did a wonderful job. Talk about bringing a song to life, she's a wonderful singer, Shanice."

2. It took this guy a few years, but he's become a pretty popular TV star. First, we saw him as a little guy on "Gimme A Break", and now ya might say he's 'blossomed.' Joey Russo from "Blossom" -- really actor and singer Joey Lawrence -- has his first hit. Joey's really excited and he told us all about it:

JOEY LAWRENCE ACTUALITY: (:28) That was the first song that we wrote for the album, which is sort of cool. It's just been unbelievable, I mean, to see it go from a piece of paper, to the studio, to now, out and it's just unbelievable. It was inspired by the fact that I think with love, which, it incorporates honesty, loyalty, understanding, you'll do anything for that person and therefore, there's nothing that love can't fix."

3. Next is the latest hit for WHITNEY HOUSTON. We had a chance to talk to someone who's known her a very long time -- privately and professionally -- her cousin and a great singer in her own right, DIONNE WARWICK. And Dionne told us what Whitney was like as a kid:

DIONNE WARWICK ACTUALITY: (:33) "Whitney is still a kid. She is aggressive, very tomboyish. She is a good kid, good girl, you know, it was a family affair where everyone sang so it was a natural occurrence whenever she opened her mouth to let a note or two fly out of it. I come from an incredible line of singers in my family, I'm so thrilled to be a part of this family and it just seemed a natural evolution that she would just kind of bounce out."
